

# Functional Ground Bonding Film

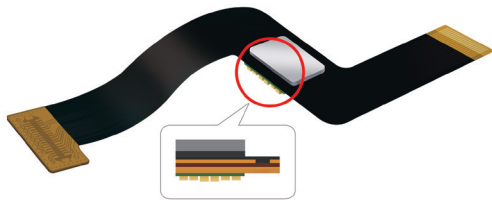

## FGBF-700 Patent pending

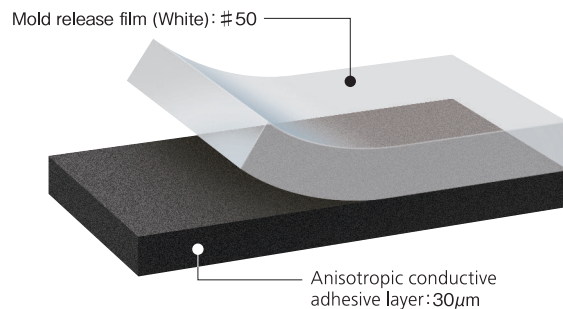

FGBF-700 can bond a metallic stiffener on TATSUTA EMI shielding film.

### Features

- ▶ Bond a metallic stiffener on EMI shielding film
- ▶ Interconnect a metallic stiffener and GND circuit
- ▶ Provide a freedom of design of SMT layout

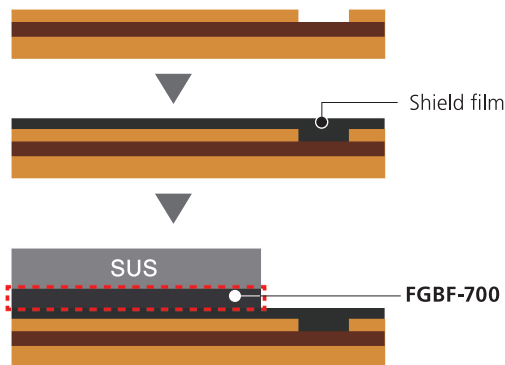

### Cross Sectional Structure of FGBF-700

### Environmental regulation

Environmental regulation	FGBF-700
UL94 flame class	V-0
Halogen free	Applicable
RoHS Directives	Applicable
Lead free reflow-soldering	Applicable

FGBF can interconnect the shielding film a stiffener
